## GENERAL INFORMATION

### In Case of an Emergency:

Police, Fire or Medical Emergencies  
From your CELL phone, dial 911  
From any OFFICE phone dial 9-911  
From any office phone, dial "0" to reach the receptionist to report an emergency.

### Evacuation procedures:

In the event of a building evacuation, you will be informed of the emergency situation, including evacuation and all-clear announcements.

Follow employees to the designated evacuation area for the building and listen for the given instructions. Do not return to the building until directed to do so by a member of the management team.

### Health, Safety and the Environment:

Smoking is not allowed inside the facility.

We share an uncompromising commitment to protect the health and safety of our employees and customers.

We offer products and services that are uniquely designed to enhance environmental performance and to contribute to climate protection.

If you would like to request a copy of the Quality, Health, Safety and Environmental Affairs Policy and Principles, contact the training coordinator or instructor.
